

Prepare for the [CLES](#) certificate examination: list of online resources

SPANISH

Oral Expression

- [Radialistas](#): Website offering several articles in Spanish (available in audio or written format).
- [La Passerelle](#): Listen to text, videos and songs with corrected exercises available.
- [Audio Lingua](#): Collaborative sound bank offering mp3 recordings in several languages. The user can select different criteria (language, level, theme, age, duration...).
- [Ver-taal](#): This site offers several vocabulary, grammar and oral comprehension exercises, which for the most part are based on audio and video files organised thematically.
- [Audiria](#): A website promoting the Spanish language and culture with podcasts and videos about key periods, events and figures from Spain history with corresponding exercises.
- [VideoEle](#): Educational videos, some of which contain corrected exercises on a PDF file.

News

- [Agencia EFE](#): Main Spanish press agency
- [BBC MUNDO](#): From Monday to Friday, 15 minute reports on international current affairs with a Latin American focus.
- [El País](#): General daily newspaper from the centre left
- [Libertad Digital](#): Digital paper from the liberal right. Videos with transcriptions (TV, news, interviews, literary criticism), music with explanatory texts.
- [El Mundo](#): Daily newspaper from the right.
- La Vanguardia: General daily newspaper
- [RTV](#): Public Spanish TV and radio site offering several recordings on a variety of topics. Filter by theme (current affairs, sports, etc.)
- [Casa real](#): Official website for the Spanish Royal Family

Written Expression:

All levels

- [Espagnol Facile](#): Lessons, tools and corrected exercises for beginners.
- [Cours d'espagnol](#): Corrected spelling, grammar and conjugation exercises.
- [Conjugaison-espagnol](#): Lessons and corrected conjugation exercises.

Pronunciation

- [Diccionarios](#): Dictionary. Each word can be played aloud and you can find their synonyms and antonyms. The conjugation is also available for verbs.
- [Sounds of Speech](#): Detailed pronunciation practice. Mouth movements are filmed to show the different sounds with helpful diagrams showing articulation points.
- [Poesi](#): Listening to poetry in a foreign language is an effective way to practice identifying and pronouncing words.
